

NEW AWARD IN THE REFINING BUSINESS IN POLAND

- **EPC contract granted by Grupa LOTOS SA for a refinery upgrading project in Gdansk**
- **Overall contract value is estimated to be €304 MN**

Milan, 14 July 2015 – **Maire Tecnimont S.p.A.** announces that its subsidiary **KT – Kinetics Technology S.p.A.** has been awarded an **EPC contract** by **Lotos Asphalt Sp. z o. o.**, a subsidiary of **Grupa LOTOS SA** related to a refinery unit upgrading in the Gdansk refinery, in the framework of the EFRA (Effective Refining) Project.

Grupa Lotos is one of the largest refining companies in Poland, engaged in the extraction and processing of crude oil, as well as in the wholesale and retail of refined petroleum products.

The overall contract value is estimated to be **€304 million** and the project completion is expected in 2018.

The contract includes the implementation of a Delayed Coking Unit, a Coker Naphtha Hydrotreating Unit, a Hydrogen Production Unit (licensed by KT) together with ancillary units in the premises of the Gdansk refinery.

The scope of the contract entails the implementation of the best available technology for produced coke downloading and dewatering. This technology is regarded as a breakthrough approach to the Delayed Coking environmental impact mitigation.

With this important achievement, Maire Tecnimont Group strengthens its positioning in the refining business, thanks to its capabilities in improving output efficiency. Ensuring the full technological cycle of crude oil processing is today one of the key drivers to meet the growing market for cleaner fuels and ensure higher output of high-margin products.

Pierroberto Folgiero, Maire Tecnimont Chief Executive Officer, commented: "This award confirms our strong technological orientation in the hydrocarbons value chain, which enables our clients to improve

efficiency as well as products quality and mitigate environmental impact. Our distinctive capabilities have once again led us to achieve this outstanding result and consolidate a 10-year relationship with such a prominent client.”

Maire Tecnimont S.p.A.

Maire Tecnimont S.p.A. is a company listed with the Milan stock exchange. It heads an industrial group (the Maire Tecnimont Group) that leads the international Engineering & Construction (E&C), Technology & Licensing and Energy Business Development & Ventures markets, with specific competences in plants, particularly in the hydrocarbons segment (Oil & Gas, Petrochemicals and Fertilisers), as well as in Power Generation and Infrastructures. The Maire Tecnimont Group operates in approximately 30 different countries, numbering around 45 operative companies and a workforce of about 4,300 employees, of whom over half work abroad.
