

Aldo Alessandro Bertozzi
KT Construction & Subcontracts Vice President

Born in 1961, he graduated “cum laude” in Mechanical Engineering at “La Sapienza” university in Rome 1988.

From 1989, he developed his carrier in Technip Italy Spa, mainly in the construction sector becoming the director of the Construction department in 2007 and covering this position for almost 9 years.

As Construction department director, he had the responsibility of construction, subcontracting and start-up functions supporting a considerable number of complex EPC projects worldwide.

He left the Construction department on 2016 to follow some key proposal as Technip Italy Spa Project director.
