

**Stephen Zwart**  
*Stamicarbon Licensing, Sales & Service Vice President*

Born in 1969 he holds a MSc degree in Chemical Engineering from University of Twente, The Netherlands. He started his professional career with DSM in 1995, where he held positions in engineering and project management in chemical plants. In 2000 he joined Stamicarbon, after which he took assignments to several fertilizer plant projects around the globe. He shifted from engineering to sales, taking several commercial positions before joining the management board of Stamicarbon in 2009. He joined Maire Tecnimont Group in the same year, when Stamicarbon after an acquisition became a company of the group. He currently holds the position of VP Licensing, Sales and Services, in charge of Stamicarbon's commercial activities, steering an international team of licensing, sales and services professionals, with offices in the Netherlands, Russia and China.
